COVID-19

As the Construction Industry has been deemed an essential service by the Federal Government, Wal Robbins Additions will continue to operate as effectively and efficiently as possible within Government and Industry guidelines.

Please advise our office if you or anyone in your household have recently returned from Overseas.

We advise:

- All new enquiries will be serviced by our sales team who follow COVID-19 recommended Health & Safety protocols.
- Our staff and tradespeople have adopted recommended COVID-19 Health & Safety procedures such as regular hand washing, wearing of PPE where practical, social distancing etc.
- Any person displaying cold, flu or similar symptoms or who has tested positive to COVID-19, will not enter the site until either symptoms have passed or a negative test provided to the Site Supervisor.
- Our staff and tradespeople are informed of any new COVID-19 Health and Safety requirements & regulations as soon as we are made aware.
- Our representatives will communicate regularly with clients regarding scheduling of tradesmen, Engineers, Certifiers etc to ensure the number of people on site each day is limited to essential workers, in line with Government and Industry standards.
- Our workers are adopting social distancing requirements on site.
- Sites will be kept in a clean and orderly manner.

We request:

- Please communicate any concerns you have regarding our works and people onsite with your Supervisor.
- Please advise your Supervisor immediately should anyone in your home display cold, flu or similar symptoms or has tested positive to COVID-19.
- Please exercise social distancing with our people when they are on site.
